

AFRICAFRONTPAGE

Africa's news, one fast page | africafrontpage.com | Media kit, October 2026

WHAT IT IS

A headline-first front page of African news: headlines from 180+ publishers in 45 African countries, refreshed every 10 minutes, each linking to the original publisher.

REACH

Coverage: 45 country pages, plus pan-African, politics, business, sports, tech, health and entertainment.

10 languages: English, French, Portuguese, Spanish, Chinese, Arabic, Swahili, Hausa, Amharic, Twi.

Diaspora: a dedicated Diaspora section for Africans abroad.

Mobile-first: light pages for phones and slow data, data-saver mode, read-aloud headlines.

EARLY TRAFFIC (REAL NUMBERS, OUR OWN COUNTER)

23-25 October 2026, the first three days after launch:

172 visitors, 719 page views.

Top reader countries: Ghana, the United States and the United Kingdom.

We are new and growing. Early partners get launch pricing and help shape the formats.

AD FORMATS

Top banner: on the front page, or a chosen country or topic page.

Sidebar / in-list placement: beside or between headline groups, clearly labelled.

Sponsored country page: "Ghana headlines, brought to you by ..."

Newsletter / WhatsApp mention: in our daily headline shares.

Every ad is labelled. Advertisers never choose or change the headlines.
